Sir,

I have the honor to bring to your notice that for the support of the Girdlestone Ward attached to this Institution the Station Municipality make a grant of Rs 100/- monthly. We have no other means of supporting the inmates, who are all quite helpless, except by taking from the funds of the Poor House, and in this Ward we have at present 9 persons belonging to the Petta and Mysore Province.

I have made repeated applications to the President of the Petta Municipality to assist us in the same manner as the Station Municipality does, but no notice whatever has been taken of these requests, under these circumstances I beg to appeal to you as the Head of the Government of H.H. the Maharajah of Mysore and to solicit you

will be pleased to grant us the same support
and assistance as the Station Municipality does
to relieve the distressed subjects of His Highness
without distinction of Creed, Caste, or Color.

I trust you will be good enough to take an
opportunity to visit the Poor House and the above
Ward to satisfy yourself that every endeavour is
made to make the inmates as comfortable as
possible and maintain them in good health.

Sir, In forwarding Copy of a Resolution passed at a General Meeting of the above Society of this Station, held on the 29th inst., and presided over by the Honorable the British Resident in Mysore I have the honor to request you will be good enough to submit the same for the favorable consideration of the Durbar.

2. The Girdlestone Ward for Incurables is in great distress for funds; and the reserve has had to be drawn upon to maintain the Institution for the past two or three years; and as the sum is small, it will be exhausted in a short time; and then it will no longer be able to support the incurables that come to us from all parts of the Mysore Province.

3. This Station Municipality already Grants Rs 100 a month, towards this branch of the Institution, and cannot be appealed to for more money; while the British Government give a very handsome grant towards the Friend-in-Need Society; but, by an oversight, the claims of the Girdlestone Ward

were not laid before the Durbar last year, when their grant of Rs 50 a month was made towards the funds of the Friend-in-Need Society. Under these circumstances I am directed to bring the subject before the Durbar, and to earnestly solicit that a similar grant be made by them for the Girdlestone Ward from the 1st January of this year, when we shall be able to maintain this Institution in all its usefulness for the support of the helpless poor of the whole province.
